

PRESENTER

Dr A Sathyendran, AnS Consulting Ltd, Auckland

Sathy is an Independent Telecommunication Specialist with over two decades experience in cell phone technologies, policy and regulation. He has a Ph.D. in Electrical & Electronic Engineering (The University of Auckland), specialising in wireless technologies and cellular signal propagation. Sathy has significant experience in working on court cases and Commerce Commission investigations.

At Vodafone he worked closely with both in-house and external legal teams, providing expert technical analysis and advice across a range of legal issues for court cases and regulatory reviews. As an independent, Sathy has used mobile call and location analysis to corroborate or disprove evidence for both criminal and civil cases.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.

CONTENTS
