

PRESENTERS

Paul Calder, Partner, Duncan Cotterill, Christchurch

Paul is a member of the commercial team and specialises in property matters. He advises significant investors and developers, major landlords and tenants, and corporates and individuals with important property portfolios. Paul has taken a leading role in commercial property issues identified by the Canterbury earthquakes, particularly leasing.

Karen Overend, Partner, Duncan Cotterill, Christchurch

Karen is a specialist in property and construction, including property acquisition, leasing, funding and development. She advises both landlords and tenants on leasing issues, and has a particular interest in the interface between construction and leasing with off plan leasing agreements.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.
