

PRESENTERS

Lisa Gerrard, Chief Legal Officer, REINZ, Auckland

Lisa is the Chief Legal Officer at the Real Estate Institute of NZ (REINZ). A key aspect of Lisa's role is liaising with Government at a ministerial level to minimise the impact of legislative change on the real estate industry. As well as being invited to be a member of the National Standards Committee responsible for drafting NZS 8510, Lisa is a member of the working group whose efforts led to the current review of the Unit Titles Act 2010. Prior to joining REINZ, Lisa was a property and construction partner at a prominent Auckland law firm.

Raaj Govinda, Manager of Environmental Health, Hutt City Council, Wellington

Raaj is on the national steering groups for NZS 8510 (Standard on Testing and Remediation of Methamphetamine Contaminated Properties), Joint Assessment Group, Food Act Regulators Forum, Government Regulatory Practice Initiative and has been the Wellington Centre President of the New Zealand Institute of Environmental Health since 2012. He also oversees the work of Environmental Health Officers, Alcohol Licensing Officers and Environmental Technical Officers involved in the delivery of regulatory compliance in an array of environmental health matters.

The statements and conclusions contained in this booklet are those of the author(s) only and not those of the New Zealand Law Society. This booklet has been prepared for the purpose of a Continuing Legal Education course. It is not intended to be a comprehensive statement of the law or practice, and should not be relied upon as such. If advice on the law is required, it should be sought on a formal, professional basis.

Cover and text stocks used in this publication are from Forestry Stewardship Council certified mills, manufactured under the environmentally responsible paper manufactured environmental management system ISO 14001, using pulp from well managed forests and other controlled sources.
